## INTERESTS

---

- Eagle Scout, Michael Lewis (*Moneyball*), youth mentorship, New York pizza, close up magic

## SKILLS

---

HTML, CSS, JavaScript, React, Redux, Express.js, MongoDB, Node.js, PostgreSQL, Ruby on Rails

## PROJECTS

---

**OfficeCamp** - a project management web application inspired by BaseCamp

JavaScript / React / Redux / Ruby on Rails / PostgreSQL

- Utilized RESTful routes and React to create a dynamic single page application
- Implemented responsive design using CSS media queries to resize page
- Coupled protected routes with hand-rolled user authentication to customize user experience
- Source code: [github.com/MikeG212/OfficeCamp](https://github.com/MikeG212/OfficeCamp)

**Kraving** - a user review app for individual menu items

MongoDB / Express / React Native / NodeJS

- Designed User Experience and created components with React Native
- Processed data from Yelp and Zomato's API to render reviews for menu items in real-time
- Organized huddles to streamline Git workflow and facilitate communication amongst team
- Source code: [github.com/MikeG212/kraving](https://github.com/MikeG212/kraving)

**DoubleTrouble** - a clone of the 2048 game

JavaScript/ Canvas

- Built dynamic and intuitive user interface with JavaScript and Canvas
- Applied object oriented programming to organize components into readable and scalable code
- Designed logic for AI to successfully win the game
- Source code: [github.com/MikeG212/DoubleTrouble](https://github.com/MikeG212/DoubleTrouble)

## WORK EXPERIENCE

---

**New York Life**

Oct 2015 to May 2018

Financial Services Professional

- Utilized non-correlated assets to provide families with an average of \$70,000 annual tax-free retirement income
- Doubled personal production and reduced client meeting time by 50% in one fiscal year
- Maintained 95% client persistency compared with an industry average of 57%

## EDUCATION

---

**App Academy**

2018

Completed 1,000+ hour program at top-rated code school with less than 3% acceptance rate

**Georgetown University**

Graduation Date: May 2015

BSFS in International Economics

Relevant Course Work: Economic Statistics, Econometrics, Senior Capstone Thesis
